Highlights

Beard & stubble trimmer

The full metal trimmer (32mm) and the comb with 12 adjustable length settings makes it easy to get exactly the beard length you want. Lock in your perfect length setting with the zoom wheel. The durable metal trimmer with skin-friendly rounded edges guarantees a precise and even trim.

New Dual Foil Shaver

The new dual foil shaver makes it easy to shave around your style. The mid-trimmer catches longer, tougher hairs and the 2 floating foils shave everything else perfectly smooth.

Dual sided trimmer

Take off the adjustable comb and there's a full metal, dual sided trimmer underneath. Use the 32 mm side for a high performance trim and the 12 mm side for precise detailing work in those hard to reach places. The rounded tips ensure a smooth touch to your skin. The finer cutting elements deliver a close trim with perfect results-excellent for small details or areas like under your nose or around your mouth.

AquaTec - Wet & Dry

For extra skin protection and optimal shaving results, use wet with gel or foam, it can also be used dry for convenience. And when you're done, just rinse the product under the tap to clean it.

Lithium-Ion battery power

The Lithium Ion battery delivers up to 75 min of powerful cordless use and is fully charged in only 1 hour.

Zoom wheel

Zoom wheel makes it easy to adjust the comb in the 12 length settings. The settings offer ultimate precision of 0.5mm steps on the shorter lengths to define exactly the style you want, between a 5 o'clock shade and 3 days stubble. Also for the longer beards it offer exactly the lengths you need in 1 mm step sizes.

Battery light

The light is continuously lit to indicate a full battery, and blinks orange when you have about 10 minutes left of usage.

Foldable charging stand

The foldable charging stand gives you convenience at home and flexibility for travel.

Travel Lock

Press any button for 3 seconds to activate the travel lock - to prevent the product from turning on accidentally. A red lock symbol between the buttons shows when the travel lock is on. Press any button for another 3 seconds to deactivate the travel lock.

High-performance trimmer

The full metal trimmer has sharper edges for more efficient performance. The detail trimmer is specially designed to give a closer trim even in the most hard to reach areas.
